Official charts and nautical publications
The Australian Hydrographic Service is the Commonwealth Government agency responsible for the production and distribution of official nautical charts and other publications required for the safety of ships navigating in Australian Waters. Commercial vessels over 12 metres in length are required to carry up-to-date official nautical charts:

Note: Global Positioning System check point as shown by GPS* is in WGS.84 co-ordinates to an accuracy of +/- 5 metres. Equipment should be checked against this point to determine any gross errors prior to any seaward journey. Depending on equipment, errors of up to 30 metres is not uncommon.
Note: A number of public moorings, (pink in colour), are situated throughout the Harbour. They are only available for 24 hours for ONE vessel at any time. The 2 moorings in Fisher Bay are for vessels waiting for the Spit Bridge only.
Buoys marked Police and coloured blue are for emergency purposes only.
The Spit Bridge clearances 4.7m HAT opening span (closed), 5.7m HAT first fixed span (Nth). Both spans lit with fixed Red and Green lights. Phone bridge operator on 9948-1018 for opening times.
