## WELCOME!

Welcome to Shaw and Partners WA Race Week! We're excited to have you join us for an unforgettable week filled with action and fun. Here's what you can look forward to:

- **6 Exciting Paddling Events over 7 Days:** Compete in some or all, and help cheer on your favourite paddlers throughout the week.
- **Delicious Breakfasts:** Enjoy breakfast each morning from 6.30am at the event hub to fuel up for the day's activities.
- **Social Activities & Live Music:** Engage in plenty of fun social events with your paddling friends whilst listening to live music.
- **Giveaways & Cash Prizes:** Don't miss your chance to win exciting giveaways and cash! Each day will feature the "Win a Ski & Paddle a Day in WA" draws, and at the Welcome BBQ on Sunday, we will be giving away **Shaw and Partners Race Week Cash** to spend during the week with our sponsors.
- **Prime 100 Club Point Score:** An exciting new initiative. Will your club win **\$20,000 worth of gear?**
- **Sponsor Displays:** Explore products from our amazing sponsors, including **Vaikobi, Race One Surf Craft, Oceanpaddler** and **Salty Cheeks**, where you can browse and purchase all your paddling essentials.

### Event Hub - Sorrento Beach Surf Life Saving Club (SLSC)

- The event hub for the week will be at Sorrento SLSC under the Shaw and Partners Marquee. WA Race Week Registration and many of the social activities will take place here throughout the week.
- If you have any questions during the week please come and see us at the event hub during the **registration times**.

### WA Race Week Registration

- There are several opportunities throughout the week to **register** for the **Shaw and Partners WA Race Week Events**. You will see this listed on the day to day timings in this program.
- At this registration you will collect your Shaw and Partners WA Race Week Pack.
- You only need to attend one of the WA Race Week Registration times to register, however you must **CHECK-IN to the start of each event at the start locations** prior to the races - please see details below.
- Do not turn up to the start of any of the WA Race Week events without having registered first.
- Only check-in will take place at the start locations.

## RACE CHECK-IN

**YOU MUST DO THIS AT THE START OF EVERY RACE!**

**At the start locations 'check-in' to our timing system via the IPADS.**

(The only exception is the Race One Paddleboard event, where you will check in at Sorrento)

**Know your race number (it's on your GREEN TAG).**

**For The Doctor, check-in will commence on the ferries going over to Rottnest Island and continue on the island.**

**It is extremely important that you check-in to the races so we know who is racing in each event.**

## THE IMPORTANT INFO

### TIMING CHIP

**Wear the timing chip on your ankle.**

- Bring your timing chip with you to each event. No timing chip = no time.
- If you lose your timing chip there is a \$50 replacement fee.
- Return your timing chip at the end of your last race. For most, this will be at The Doctor event where we will be collecting them as soon as you cross the line.
- You will be provided with one timing chip and race number to use for all the events. This is how we can identify you and collate WA Race Week points.
- Do not swap or use someone else's timing chip.

### GREEN TAG - YOUR RACING NUMBER & SAFETY NUMBER

**Attach the tag to the front of your lifejacket.**

- This has your race number on it ( in most cases this will match your timing chip).
- Know your race number for race check-in.
- The tag also includes the Oceanpaddler mobile number, which is the Safety Number for all events.

### YELLOW RACE NUMBER STICKER

**Place the sticker on the front left hand side of your craft.**

- This matches your race number.
- If you are using different craft for events and need additional stickers please come and see us.

### TRACKING DEVICES

**(Used for the Fenn West Coast Downwinder and Doctor event only)**

**Attach to the strap of your lifejacket at the TOP front or back.**

- The tracking device will be supplied with a cable tie and is to be attached to the **STRAP of your lifejacket**. This can be on the front or back but must be as high as possible. This ensures that if you fall in the water the device can stay above water more easily.
- **Do not** place it at the back of your lifejacket with your water bladder.
- **Do not** place it on your craft, it is intended solely for your personal safety.
- If you are doing both races we will collect the tracking device after The Doctor. If you are only doing the Fenn West Coast Downwinder please hand this back after the race.
- The tracking will only be activated during the race times.
- You must use the tracking devices for these two races as it is an integral part of our safety plans. If you don't, you will be disqualified.
- More info will be available soon regarding the tracking which will be visible to the public to watch.

### Recommended Equipment

We strongly recommend competitors carry a Distress Beacon (EPIRB or PLB) and /or a waterproof VHF Handheld Radio during the Doctor. VHF handhelds are an inexpensive item of equipment that enables immediate contact between the competitor and safety vessels. The event channel will be given to those using VHF Marine Radios for The Doctor.

## SHAW AND PARTNERS DOCTOR ROTTNEST IS

### Wadjemup / Rottnest Island

We are very grateful to Wadjemup / Rottnest Island for allowing us to start our event from this beautiful location. Rottnest Island is a protected nature reserve. Please be respectful of the island and its guests.

We have worked very hard with Rottnest Island over the last 20 years to make this a successful event and your help is appreciated. Please follow the rules as requested by Rottnest Island:

- **Please do not litter**
- **Do not enter the sand dunes** - this includes the area around the Army Jetty shelter.
- **All craft must be put on the BEACH**, not on the grass.
- Footwear must be worn at all times when unloading the barge from Main Jetty.
- Follow the witches' hats and the direction of staff at all times when unloading the barge.
- **Do not take pool noodles** to the island as we must minimise rubbish. If you do, you must have someone to bring them back for you.

### Getting to Rottnest Island

- You must get your own transport to Rottnest.
- You must be on Rottnest Island and **checked-in by 10am**. See details below.
- There are shops and cafes on the island where you can relax prior to the race.

**CHECK-IN BY 10AM**

### What to take to Rottnest Island

- Only take what you will need for the race, as we have no way of getting your gear back.
- Take all your mandatory equipment.
- Remember tools to attach your rudder to ski if it was taken off for the barge trip.
- Your paddle!

### Unloading the Barge

- When you arrive on Rottnest Island you must get your craft off the barge if your craft is on it. The barge will be at the Main Jetty where the ferries arrive. You are responsible for looking after your own craft.
- You can install your rudders at the Main Jetty and once instructed paddle over to Army Jetty where the start will be.

### Race Check-In & Equipment Check

- Staff will commence the **race check-in** process on the ferries going over to Rottnest Island.
- We will continue **race check-in on the grass area near Main Jetty** (check map on next page for location). Check-in will not be done at Army Jetty as per previous years.
- Competitors must **check-in by 10am** or you will not be allowed to race.
- Mandatory equipment checks will take place and anyone who does not have the correct equipment will not be allowed to race.

# SHAW AND PARTNERS WA RACE WEEK

2024 PROGRAM

## Race Briefing

- We will instruct you when to make your way to Army Jetty for the final race briefing.

**ROTTNEST IS**

## Start Times

- The start time is dependent on shipping movements and conditions and can take place anytime from 10am onwards.
- The race director will advise of the start waves and times at the briefing prior.

## Water Safety

- Follow the instructions of the water safety officials at all times.
- The Doctor course is within the Fremantle Ports area and operations will not cease during the event.
- Commercial shipping has the right of way at all times.
- You must **not go within 300m** of any shipping vessel during the race or you will be disqualified..
